#### **School Board Member Betsy Lubke to Resign**

**Milton, WI-** The School District of Milton Board of Education was informed on Friday, April 13<sup>th</sup> that Board Member Betsy Lubke intends to resign her position, effective April 20, 2018. Lubke has honorably served district residents as a member of the Board of Education for nearly three consecutive terms, assuming various leadership positions during her tenure on the Board of Education. Excerpts from Lubke's resignation letter are found below:

*"It is with mixed emotions that I announce my resignation from the School District of Milton Board of Education, effective April 20<sup>th</sup>. My resignation is for personal reasons. My husband recently retired and we would like to spend more time traveling, especially to visit our son, daughter-in-law and adorable granddaughter in Minnesota. The Board has many important decisions to make in the coming year and I feel I will not be able to give the time and energy necessary to be an effective, engaged Board member.*

*It has been my privilege and honor to serve our amazing students, our dedicated administrators and staff, and the School District of Milton citizens for the past eight years. We have accomplished much during those eight years and I look forward with hope and confidence that the Board will continue to serve the community with integrity, optimism, and a strong vision for the future of our school district."*

The Board of Education will discuss options for replacing Lubke within the parameters of established Board policy at their next regularly scheduled meeting on Monday, April 23, 2018.
