Before and After School Care Provider Information

2017-18 School Year

Exciting news! All of our elementary schools will have before and after school care during the 2017-18 school year. The School District of Milton is pleased to be working in partnership with area childcare providers to provide before and after school care at all of our elementary schools during the 2017-18 school year.

Please know that the School District of Milton does not run these programs, and that the contractual arrangement for before and after school care is an agreement between the family and the area childcare provider. Questions about before and after school care programs should be directed to the childcare provider whose contact information is listed below.

Our schools are proud to host these offerings for our families throughout the 2017-18 school year. Contact information for each school's before and after school childcare provider are listed below.

<u>School</u>	<u>Childcare Provider</u>	<u>Contact Information</u>
Milton East	Small Wonders	Contact: Beth Drew Phone: 868-5288
