School District of Milton School Report Card Data Fact Sheet

● **School District of Milton**

- The School District of Milton achieved an overall score of **73.7 Exceeds Expectations**, up from 70.3 Meets Expectations for the 2013-2014 School Year.
- The School District of Milton scored above state average in the following priority areas: Student Achievement, Closing Gaps and On-Track and Postsecondary Readiness.

District Highlights:

- All four elementary schools - Consolidated, Harmony, Milton East and Milton West - achieved a ranking of "Significantly Exceeds Expectations." This highlights the district and buildings' commitment to providing a comprehensive, consistent, and student-centered education to students of varying demographics and populations.
- The School District of Milton had five of seven schools move one or more designation rankings, with both Title I-designated schools (Milton East and Milton West Elementary Schools) moving two designations from "Meets Expectations" to "Significantly Meets Expectations."
- While the School District of Milton's students scored well and above state averages in both Student Achievement and On-Track and Postsecondary Readiness, the administration and staff continue to be committed to supporting even further, more targeted improvements in the areas of Student Growth and Closing Gaps. Curricular updates, focused professional development on instructional strategies and differentiated instruction, reinforced supplemental instruction for Title I, Special Education, English Language Learner, and Gifted and Talented identified students, and a commitment to a PreK-12 continuum of learning remain priorities in ensuring all students achieve and grow each year in school.
