August 21, 2017

Dear Milton Grade 6 Parent,

You are receiving this letter because your child will be entering the sixth grade at Northside Intermediate School this September. Significant changes have been made to the Wisconsin School Day Milk (milk break in the classroom) program for the 17-18 School Year in order to maintain program compliance with the State of Wisconsin Department of Public Instruction (DPI).

The Wisconsin School Day Milk Program is a program offering free milk to all free and reduced students in grades K-5. Northside has traditionally offered milk break to sixth grade students as well. However, due to the required program tracking changes, sixth grade milk will no longer be offered.

Due to the unfortunate timing of this notice, some sixth grade families may have already paid for milk break through the on-line or central registration process. If this is the case for your sixth grade student(s), please complete the attached form and select how you would prefer for the fee to be handled. You may choose from the following two options: 1) transfer of the milk fee(s) to the family meal account or 2) request a full refund.

Please feel free to contact our office at (608) 868-9580 if you have any questions regarding your fee payment or changes to the program.

Sincerely,

Sheila Price  
Nutrition Team Supervisor  
School District of Milton
