Milton Area “Shop With a Cop” Program Announced

The School District of Milton is proud to announce a new program that will provide a fun-filled experience for students and families in our school district. The new annual “Shop With a Cop” program will afford approximately 20 students the opportunity to enjoy an afternoon of shopping for holiday presents with a police officer from either the City of Janesville Police Department or City of Milton Police Department.

This new program stemmed from a recently formed partnership between City of Janesville and City of Milton Police Departments, the Milton Area Chamber of Commerce, and School District of Milton Social Workers Verlene Orr and Dani McIntosh-Robb.

School district administrators will be referring students who demonstrate outstanding behavioral characteristics and good leadership to the team to be considered for participation in the program. The selected students will be provided a two-hour opportunity to “Shop With a Cop” at local area retailers, enjoying an afternoon of holiday festive fun in mid-December.

School District of Milton Superintendent Dr. Tim Schigur commented on the new program stating, “We are so very fortunate in this community to have such a dedicated group of social workers and are equally fortunate to enjoy the strong relationship we have with local law enforcement and the Milton Area Chamber of Commerce. I’m grateful all are working together to provide this meaningful opportunity for our students and their families.”
