School District of Milton Tops \$18,000 for Wisconsin Special Olympics

Milton, WI- The School District of Milton is pleased to announce that students and staff throughout the district raised more than \$18,000 for Wisconsin Special Olympics during their participation in this year's Polar Plunge in Whitewater.

Milton High School students and staff raised more than \$7,500, Milton Middle School raised over \$8,000, and fundraisers at Northside Intermediate School and Harmony Elementary School helped round out the remainder of the total donated amount. The \$18,000 raised was the most of any one organization that participated in the Whitewater Polar Plunge, according to Brittany Neukirchen, Director of Special Events in the Southeast Region from Wisconsin Special Olympics.

Superintendent Dr. Tim Schigur commented on the success of the district's fundraising efforts by stating, "The Board of Education and I are very proud of our students, staff and families who work so hard raising funds for this great event. Wisconsin Special Olympics provides many excellent opportunities for our students and staff. We are extremely fortunate to have so many participants in the Polar Plunge annually and we're grateful to all who donated to this wonderful cause."
