# Annual Meeting

September 29, 2014

### **Purpose of the Annual Meeting**

The annual school district meeting plays a special role in the governance of 377 of Wisconsin's 424 school districts. Electors in these districts — which are classified as either common school districts or union high school districts — have special powers reserved to them as a body at the annual meeting. State statutes set forth the basic requirements for holding the annual meeting and outline the powers of the electors at the annual meeting. Electors are individuals who are eligible to vote in school district elections and include every U.S. citizen age 18 or older who has resided in an election district or ward for 28 consecutive days before any election where the citizen offers to vote is an eligible elector.

'State statutes (<a href="http://docs.legis.wisconsin.gov/statutes/statutes/120/I/08">http://docs.legis.wisconsin.gov/statutes/statutes/120/I/08</a>) set forth the basic requirements for holding the annual meeting and outline the powers of the electors at the annual meeting. Electors at an annual meeting may determine or may authorize the school board to hold subsequent annual meetings on a date and hour different from that specified in the statute. No annual meeting may be held before May 15 or after October 31. A notice of the meeting — stating its time and date — must be published twice by the district clerk. If the clerk has received a proper petition requesting the annual meeting to consider a special subject or item of business, a statement of the subject or item of business must be incorporated in the notice. The last publication of such notice must not be more than eight days nor less than one day before the annual meeting.'
