## What Is Schoology?

Schoology (pronounced School-ogy/Skool'uhjee) is an internal, educational Learning Management System platform that offers us a space for online learning, communication, collaboration, and increased student access to curriculum and supplemental content. Learning to safely navigate in an online learning environment is an important aspect of a 21st century education.

- The School District of Milton Schoology site is not visible to the public.
- You need an account in order to access the Schoology site.
- Schoology is used PK-12 in our district.

### **Students may use Schoology for:**

- Accessing classroom materials
- Submitting assignments
- Checking for due dates
- Participating in course discussions
- Taking quizzes or tests
- Receiving updates from teachers and staff
- Messaging teachers

### **Parents may use Schoology for:**

- Viewing course materials and assignment information
- Viewing work your child has uploaded to Schoology
- Viewing graded assignments uploaded to Schoology
- Viewing comments that your student has made in online discussions (other students names are listed as anonymous)

**Note:** Parents should continue to use Skyward Family Access for grades and attendance information.

## Parent Accounts
