

**School District of Milton
Milk Break 2017-18**

Milk break occurs at all of the K-6 buildings and usually takes place mid-morning. The fee for milk break is deducted directly from your family meal account each time (up to once daily) milk is taken. The cost for milk is \$.40 a day for students in grades K-6. Money is required to be in your account prior to taking milk break.

Please submit this form prior to the start of the school year, indicating whether you wish for your child to be offered milk. **We will not offer milk to your child without a signed form authorizing milk charges to your family meal account.**

It is the parent's responsibility to submit an updated authorization form to your child's teacher if you wish to change your option during the year.

A student that has a health condition that warrants purchasing juice for milk break will require a note signed by their physician.
