

PLANNING YOUR FUTURE AT MHS AND BEYOND

**WEDNESDAY
JANUARY 22, 2025**

**4:30 – 8:00 PM
MILTON HIGH SCHOOL**

Join us to learn about the emerging career fields and how MHS courses can prepare you for those careers!

Attendance at this event will help you and your student explore course options at MHS prior to Arena Scheduling

EVENT SCHEDULE

Session 1:

4:30 PM - 5:05 PM

Session 2:

5:15 PM - 5:50 PM

Session 3:

6:00 PM - 6:35 PM

Session 4:

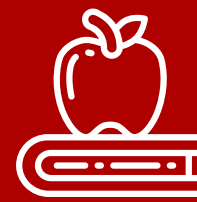

6:45 PM - 7:20 PM

Session 5:

7:30 PM - 8:00 PM

Each session topic will run all five sessions. Families are welcome to attend as many sessions as they would like.

Session topics can be found on the next two pages. Families can pick and choose between academic and career planning sessions.

MHS ACADEMIC PLANNING SESSIONS

ARENA SCHEDULING 101:

Location: Room W2311

Presenters: Dan Thies & Ashley Williams

Having a hard time navigating Arena Scheduling? In this session, we will cover step by step on how to plan your schedule with Arena Scheduling.

HOW TO HELP YOUR STUDENT ON THE ACT:

Location: Room W2315

Presenters: Jeremy Bilhorn & Tara Huber

Want to help your student excel on the ACT? This session is geared for families of 11th graders who want some extra support to prep for the ACT.

WHAT TO EXPECT WITH HONORS AND AP CLASSES:

Location: Room W2226

Presenters: Ryan Neuenschwander, Sarah Brechtel, Tara Ferron, Liz Evans

Are you deciding between taking an honors or AP course? In this session learn more about what to expect when you take these courses.

UNDERSTANDING YOUR PE CHOICES:

Location: Room W2230

Presenters: Zach Groelle & Jake McCarty

What PE option should I take next year? Learn from the experts on what PE will be the best fit for you.

MIND MATTERS: FINDING BALANCE:

Location: Room W2319

Presenters: Michelle Kurilla, Allison Kerkman, Allison Waldsmith

Raising teenagers in today's fast-paced world can be challenging, especially when it comes to supporting their mental health. This session covers common concerns, signs to watch for, and practical strategies to foster resilience and well-being.

NAVIGATING SPECIAL EDUCATION:

Location: Room W2212 (MHS & Post-Secondary Services),
Room W1218 (Beyond 18 & Lifelong Planning)
Room W2208 (Assistive Technology Services)

Presenters: Amber Fornstedt, Jill Wileman, Laurie Hall, Shannon Kligora, Declan Boran-Ragotzy, Nicole Schaefer, Kris Sundlin, Jess Dowd, Kacie Dye

You get to choose! Choose to learn more about the following: MHS & Post-Secondary Services, Beyond 18 & Lifelong Planning, or Assistive Technology Services. These sessions are geared for families with students who utilize special education services.

APPRENTICESHIP AND WORKFORCE OPTIONS FOR MHS STUDENTS:

Location: Room W1304

Presenters: Amy Kenyon

I know college is not for me - now what? In this session learn about apprenticeship opportunities available now and after graduation.

MHS CAREER PLANNING SESSIONS

ARTS ACROSS CAREER PATHS:

Location: Room W1216

Presenters: Abbi Landrum, Caitlin Mullarky, Garrett Quandt, Alyson Flynn

Want to make a career out of your creativity? This session will cover arts across all career paths and what MHS courses support this interest.

AGRICULTURE, FOOD AND NATURAL RESOURCES:

Location: Room W1315

Presenters: Stacy Skemp, Mindy Bilhorn, Sarah Kline, Devon Hammer

Do you enjoy animals, working outdoors with nature, and plants? This session will cover these up and coming career paths and what MHS classes support these careers.

BUSINESS, FINANCE AND MARKETING:

Location: Room W1226

Presenters: Tim Houfe, Kevin Jordahl, Kim Melms, Melissa Kirst, Jennifer Ramsden

Interested in owning your own business? Stop into this session to learn what a career in business, finance or marketing is like, and what MHS classes support these careers.

EDUCATION:

Location: Room W2113

Presenters: Carmie Theisen, Shane Cassidy, Ian Kirst, Jared Holmes, Laura Heinen, Dan Prahl

Do you enjoy teaching skills to others? Do you like working with children? Stop into this session to learn all about the world of education and what MHS classes support these careers.

GOVERNMENT, LAW AND HUMAN SERVICES:

Location: Room W2115

Presenters: Pat Jauch, Angie Kerr, Verlene Orr

Do you have an interest in working with people? Stop into this session to learn about several career opportunities that center around working with and helping people, and what MHS classes support these careers.

HEALTH CARE CAREERS:

Location: Room W2240

Presenters: Kaitlin Lundeen, Jessica Mair, Dan Mayer, Rob Boden

Do you have interest in the medical field? Do you see a future in health care? Stop into this session to learn more about these emerging careers and what MHS classes support them.

SCIENCE, TECHNOLOGY, ENGINEERING AND MATH(STEM):

Location: Room W2308

Presenters: Mason Pautsch, Charlie Liechty, Zach Kuehne, Rob Thomas

The STEM field covers a large array of potential career fields including scientists, mathematicians, engineers and IT information systems. If this sounds interesting to you join this session to learn more about these careers and the MHS classes that support them.

UNDERSTANDING THE TRADES:

Location: Room W1310

Presenters: Terry Schindler, Lyman Elliott, Katie Schneider

Do you like working with your hands? Do you like building and maintaining things? If so stop into this session to learn more about the large variety of careers associated with the trades and the MHS classes that support them.
