

# DIGITAL MEDIA PATHWAY

## Elective Offerings

Milton High School introduces students to digital media through hands-on electives while completing required courses. Students design graphics, produce audio and video projects, create 2D and 3D games, and gain production experience with Red Hawk Media, preparing for careers in media and communications while in high school through electives such as:

- Digital Media 1
- Digital Media 2
- Media Production
- Introduction to Coding
- Game Design 1
- Computer Programming
- Video Production 1
- Video Production 2
