

# VISUAL AND PERFORMING ARTS **PATHWAY**

## Elective Offerings

Milton High School invites students to explore visual and performing arts through a variety of course options. Students develop skills in visual art through drawing, painting, and ceramics with the opportunity to expand those skills in advanced programming. In the performing arts, students have a variety of options in both vocal and instrumental ensembles. Through concerts, competitions, and advanced coursework. At Milton High School, students can refine their craft and artistic voice through electives such as:

- 
- Art Foundations
  - Drawing
  - Painting
