MILTON HIGH SCHOOL

SCHOLARSHIP PROGRAM

2026-27

Standard

Scholarships

All Scholarships listed in this packet are available to Milton High School Seniors

DIRECTIONS FOR STANDARD SCHOLARSHIPS

(All scholarships below require the standard application form)

- The standard application will be in one google form this year. This application will cover a majority of our local scholarships. Your application will automatically be considered for every scholarship you select "yes" for.

- The standard scholarship application form will open on November 16th. The application period will be from **November 16th – December 4th**. The standard scholarship application must be submitted **no later than December 4, 2026**, so make sure you submit the google form before then.

- Your responses will save automatically as a draft for 30 days. Please do not submit this form until you have completely filled out each question. There are over 40 local scholarships available to students, so this google form is lengthy. Please review each scholarship carefully.

- It is recommended students prepare ahead of the application window by answering the standard essay questions that are below. Students can do this by creating a Google Document and writing their responses in it. Then they can copy/paste these responses into the standard scholarship Google Form.

- All scholarships will require you to fill out the general scholarship essays. Those are outlined on the next page. It is recommended students start working on these essay questions early and writing their answers in a separate google document. Students can copy and paste what they have written into the google form.

- Some scholarships may require additional materials such as essays, letters of recommendation, a photograph, etc. Make sure you read each scholarship's criteria carefully.

- If a scholarship requires an additional essay or a letter of recommendation it is outlined in this document. Students can begin working on individual essay questions or gathering information prior to the standard scholarship application opening.

- Please review these scholarships with a parent or guardian. If you are unsure if you qualify for a particular scholarship please stop in and see Ms. Williams. She can help guide you through what scholarships you qualify for.

Please see Ms. Williams with any questions you may have. You can find her in Student Services. Otherwise, she can be contacted in the following ways:
Email: williamsas@milton.k12.wi.us
Phone: 608-868-9311 ext. 1005
